AT Messrs. [REDACTED] of OLC; [REDACTED] of OS; met with [REDACTED]

AT as to where she should submit a request for compartmented clearances  
for [REDACTED] a new member of the staff. She explained

review.

office of the Speaker of the House, reported that the Speaker  
was pleased with the briefing provided on the so-called build-up  
on the 38th parallel. The Speaker had been receiving some rather  
alarming reports and having a more tempered assessment, even if not  
in the greater detail he would have liked, was helpful in the con-  
sideration of the assistance bill which was on the floor yesterday.

AT 15. [REDACTED] LEGISLATION Mike Wenk, Department  
of Justice, called to work out strategy in connection with the  
excludable aliens provision in the State/Justice authorization bill.  
It was agreed that it was best to tackle this in Conference.

Legal Counsel, National Security Council, concerning the third agency  
amendment to the State authorization bill.
